**USGlass Magazine® to Co-Sponsor Design Seminar**

**STAFFORD, VA.** - USGlass, Metal & Glazing magazine has signed on as a sponsor of the [2<sup>nd</sup> Façades Design & Delivery Conference](#) taking place September 7-9 in Los Angeles.

The event will focus on available innovations that deliver high performance and fit-for-purpose façade design and will gather façade engineers, construction companies and property developers to share how they are implementing new façade delivery techniques.

Confirmed presenters include:

- Raymond Pan, Design Principal, Senior President, HMC Architects;
- Jim Crawford, Partner, Richard Meier & Partners Architects;
- Matt Williams, Associate/LA Façade Practice Leader, ARUP; and
- Mark Dannettel, Vice President, Thornton Tomasetti

[View the program brochure for complete details.](#)

USGlass magazine readers can receive 20 percent off the standard all-access price when using the discount code **FGLMAG2**. Call 212/885-2738 for details.

Published by Key Communications Inc., USGlass magazine has a circulation of more than 40,000, the largest of any glass magazine in the world. USGlass is the magazine of record for architectural glass industry leaders and is the only to offer an online daily news service, its e-newsletter, USGNN.com™.
