Edgetech I.G. Hires New Technical Service Rep in the Southeast

Cambridge, Ohio – July 2, 2008 – Dedicated to providing convenient manufacturer-direct support wherever possible, Edgetech I.G. has hired **Keith Berg** as a Florida-based technical service representative. Berg will cover all of the Southeast United States, providing expert equipment installation and training to Edgetech customers.

Berg has more than eight years of experience in technical service for window manufacturers. In his new role, he will report to Mike Burk, technical service manager for Edgetech.

“The Southeast is a growing territory for us with the increasingly strict energy codes, and we need to ensure our customers are getting all of the support they need,” Burk said. “I’ve had the pleasure of working with Keith in the past and know he will be a great asset to Edgetech and its customers in the Southeast territory. We are glad to have him on board.”

Edgetech I.G. Inc. is a global leader in the fenestration industry producing Super Spacer® – the world’s only TrueWARM®, all-foam edge seal product line that provides maximum condensation resistance, durability and energy performance. Through Edgetech’s value promise – *We’re there for you at every turn! 360®*—, the company goes beyond the manufacture of Super Spacer to offer a comprehensive portfolio of value-added products and services for the window, door and glass industries. With manufacturing facilities in the United States and the United Kingdom plus a distribution division in Germany, Edgetech’s proven technology is improving the performance and energy efficiency of insulating glass systems worldwide. Edgetech is a fully-owned subsidiary of Lauren International, Inc., an Ohio-based extruder and molder of polymer based seals, gaskets and rubber components.
