**BIESSE AMERICA ANNOUNCES NEW DEALER  
Accelerating Market Reach in the Southeast**

**Charlotte, NC, December 13, 2007** – Biesse America has signed an exclusive agreement with Lawrenceville, GA-based **Brooks Machinery** to distribute its complete line of woodworking machinery.

Under the terms of the agreement, **Brooks Machinery** will represent Biesse products in Alabama, Georgia, northern Florida, and parts of Tennessee, effective immediately. “We are certain,” commented Federico Broccoli, President and CEO of Biesse America/Canada and Intermac America/Canada, “that the combined strengths and experience of **Brooks Machinery** and Biesse America will enhance our customer service and market share in the growing Southeast region.”

David Casteel, President, said, “We’re very excited to represent Biesse America to our customers. Biesse offers cutting edge technology and support second to none. We anticipate this partnership will best prepare us and our customers for the competitive future we’re all facing.”

In order to provide full service to customers in the area, Biesse is establishing a fully operational technology center at **Brooks Machinery**. “The showroom will have a wide variety of Biesse equipment, including the Selco beam saw, multiple sanders and

edgebanders, and the Rover CNC,” explained Craig Sexton, VP of Distribution for Biesse America. “The intent is to mirror our showroom in Charlotte.” Biesse will also cross-train and certify **Brooks Machinery** service technicians to provide technical service and support to local customers.

In the coming year, Biesse plans to hold One2One events at the **Brooks Machinery** facility. These popular events, held several times a year at Biesse’s Charlotte, NC headquarters and other facilities, feature a variety of free seminars, live machine demonstrations and consultations with technical experts.

**ABOUT BIESSE S.p.A.** – Founded in 1969 in Pesaro, Italy, Biesse S.p.A. is a leading manufacturer of woodworking, glass and stone fabrication equipment, supplying innovative engineering solutions to the panel machining and furniture making industries. # 1 in the manufacture and sale of CNC machines, Biesse S.p.A.’s products range from turnkey systems to individual machines, workstations and high-tech components. Along with an extensive global distribution network, Biesse S.p.A. has 18 subsidiaries on five continents and 2,400 employees.

Biesse S.p.A.’s North American presence is comprised of woodworking divisions Biesse America (Charlotte, NC) and Biesse Canada (Montreal, QC), and Intermac America (Charlotte, NC), the company’s stone and glass division.
