CRL Introduces SD10

*Extensive Specialty Catalog Features
Frameless Shower Door Hardware and Supplies*

LOS ANGELES -- C.R. Laurence Co. Inc., (CRL), a leading global supplier to the glazing, railing, architectural, construction, industrial, and automotive industries, is introducing a new specialty catalog, the SD10, featuring the latest products in CRL's extensive line of Frameless Shower Door Hardware and Supplies.

Brad Murphy, CRL Product Manager, explains, "This 160-page, full-color specialty catalog is representative of the fact that CRL's line of frameless shower door hardware continues to grow with new products, styles, and finishes."

Murphy continues, "The SD10 Catalog displays many new series of hinges and innovative products, particularly our new Vienna and Cologne Series of Adjustable Hinges, our E-Z Adjust Header System to go with a newly developed Prima Pivot Hinge, No-Drill Fixed Panel Glass Clamps, and numerous accessory items, such as Pull Handles, Knobs, Towel Bars, and Combos.

CRL Introduces SD10 (continued)

It also features our new Frameless Vertical Post System and Frameless All-Glass Restroom Partition System. We now have over 25 series of Shower Door Hinges for 1/4" (6mm) to 1/2" (12mm) thick glass, in various models and beautiful finishes. Listening attentively to customers, designers and installers has helped bring about some of the innovative additions to our line. The SD10 also features technical tips for installers and many photos of attractive installations that can be helpful when creating designs for customers."

CRL's unique Showers Online web-based Design and Glass Sizing Program, and CRL's Frameless Shower Door Guide are also featured. The SD10 Catalog, as well as other CRL catalogs, can be viewed at the company's web site, crlaurence.com.

CRL supports its extensive product line with a Technical Sales Department available from 6:00 a.m. to 5:00 p.m. Pacific Time, Monday through Friday, and 7:00 a.m. to 12:00 p.m., on Saturday. Technical Sales Representatives can help create an attractive and safe frameless shower enclosure, and lend assistance with product selections and design criteria. Ask for Extension 7740.
