**COASTAL INDUSTRIES HIRES CHRIS CARREIRO AS
REGIONAL SALES MANAGER**

JACKSONVILLE, Fla. (October 2007) – Coastal Industries has announced the recent hiring of Chris Carreiro as regional sales manager for the southern Texas, Arkansas, Louisiana, and Mississippi markets. With more than 11 years of experience in the glass industry including former positions at Craftsman Fabricated Glass in Houston and AFGD, Carreiro's expertise will enhance Coastal's provincial sales.

"We are thrilled to have someone with Chris's background and experience a part of the Coastal sales team," comments Mark Rowlett, Coastal's national sales manager.

Carreiro is also eager to join the Coastal team, stating, "I am extremely excited about my new position as it gives me a chance to be a significant part of Coastal's growth in my assigned territories."

Carreiro attended the University of Massachusetts, Dartmouth, where he studied Architecture and Mechanical Drafting.

All sales inquiries for the southern Texas, Arkansas, Louisiana, and Mississippi areas should be directed to Chris Carreiro who can be contacted at chris.carreiro@coastalind.com.

For more information on Coastal Industries and its products visit www.coastalind.com or call toll free 800.874.8601.

About Coastal Industries

Coastal Industries celebrates over 35 years of quality and commitment. It produces a complete range of standard and custom bath enclosure products to building supply, building specialty, kitchen and bath, glass and glazing, plumbing, manufactured housing and recreational vehicle industries. Coastal is a founding member of the Bath Enclosure Manufacturers Association (BEMA) and a member of the National Glass Association (NGA).
