

COLUMBIA COMMERCIAL BUILDING PRODUCTS NOW OFFERING CUSTOM FABRICATED BREAK METAL

Rockwall, Texas - Columbia Commercial Building Products, LLC (CCBP) is pleased to announce our new computerized, custom break metal capabilities, now available exclusively in our Rockwall, Texas manufacturing facility.

This new and modern equipment will significantly increase our daily capacity for custom break metal orders as well as providing computer aided dimensioning for more exact measurement, degree of angles, and shape capabilities while reducing material waste and production errors.

Our new equipment has up to 12' sheet length capabilities and can handle break metal sheet thicknesses from .040 to .250.

As part of this announcement we are offering a 10% discount on all custom break metal orders thru the end of 2009. Orders must be placed and shipped by 12-31-2009.
