

e-Nabler to Power The Dwyer Group's Field Dispatch System

The Dwyer Group® has selected e-Nabler Corporation's e-MobileService platform to power Z-Ware™ Mobile, its field dispatch system for franchise owners across the world.

Carmel, CA ([PRWeb](#)) December 4, 2007 -- The Dwyer Group® has selected e-Nabler Corporation's e-MobileService platform to power Z-Ware™ Mobile, its field dispatch system for franchise owners across the world.

"e-Nabler is thrilled to have our e-MobileService platform selected as the power behind Z-Ware™ Mobile," says Rene A Diaz, Director of Sales and Marketing at e-Nabler Corporation. "Through this agreement, all franchise owners of The Dwyer Group® family of companies will have the opportunity to use the software in the field and connect the data to their existing legacy dispatch system."

Using e-Nabler Corporation's e-MobileService platform provides The Dwyer Group® with an easy, effortless integration experience. In the long term, the platform will also pass on the benefits of cost savings and efficiency to The Dwyer Group®.

"The goal of Z-Ware™ Mobile is to help our franchises operate more efficiently," says Doug Rogers, president of Z-Ware™ and Mr. Appliance Corp. "Paper-based systems are held back by the redundancy of repeat data entry. Z-Ware™ Mobile creates an integrated, paperless system that benefits the business owner and the customer."

"We took our base product e-MobileService and customized it to work with The Dwyer Group® dispatch system, Z-Ware™. Because of our existing integration experience, we were able to make the system work with Z-Ware™ and QuickBooks," says Diaz. "The bottom line is that every franchisee using the system can experience true cost savings by using this very robust, flexible mobile solution."

About e-Nabler Corporation:

e-Nabler Corporation specializes in the development of packaged and customizable software for automating and transforming traditional "pen-and-paper" processes in a business to electronic wireless processes. This includes automation solutions for businesses involved in sales, service and distribution of goods. The firm also develops e-commerce and mobile tools, leading the way in enabling businesses to take advantage of e-commerce and true wireless mobility anywhere in the world. For more information, please visit <http://www.e-nablercorp.com>

About The Dwyer Group®:

The Dwyer Group®, Inc., based in Waco, Texas, is a holding company of six franchise businesses, each selling and supporting a different franchise under the following service marks: Aire Serv®, Glass Doctor®, Mr. Appliance®, Mr. Electric®, Mr. Rooter® (Drain Doctor in the UK), and Rainbow International®. Collectively, these independent franchise concepts offer customers world-wide a broad base of residential and commercial services. The Dwyer Group is a portfolio company of The Riverside Company, a private equity firm with offices in New York, Cleveland, Dallas and San Francisco. For more information on The Dwyer Group®, or its franchise concepts, visit the company's Web site at www.dwyergroup.com.
