ANNOUNCEMENT

Empirehouse, Inc., a glazing specialty contractor, recently announced the move into their new location at 5200 Quincy Street, Mounds View, Minnesota. The newly remodeled facility is conveniently located off the intersection of Interstate 35W and County Road 10 and houses their expanded fabrication plant and offices.

As a third generation company, Empirehouse has been in business since 1950 and is a Women Owned business. They specialize in commercial, educational, ecclesiastic and industrial curtainwall, storefront, and window projects. For more information about Empirehouse, visit their website at www.empirehouse.com or contact Alana Sunness Griffith at 763-412-4512.
