MORSE INDUSTRIES ADDS SHANNON FORTHUBER TO THE SALES TEAM

Kent, WA – November, 2007 – Inside Sales is pleased to welcome Shannon Forthuber as the newest team member at Morse Industries, a provider of top-of-the-line aluminum, stainless steel, plastic and custom parts and extrusions for the marine, architectural, and fixture industries as well as other industrial manufacturers. Forthuber has an extensive background in customer service; most recently as a manager in the hospitality industry. Her experience and commitment to customer service make her a welcome addition.

About Morse Industries

Morse Industries provides top-of-the-line aluminum, stainless steel, plastic and custom parts and extrusions for the marine, architectural, and fixture industries as well as other industrial manufacturers. Morse is a company rooted in the belief that offering value-added products along with exceptional service is the key to building successful customer relationships. They strive to help customers improve their business through quick turnaround, a wide variety of high quality products, skilled expertise in their products and applications and a commitment to professionalism. Morse Industries bases their success on finding the products customers need, when they need them, from one central source. Visit Morse Industries at www.morseindustries.com.
