

The Glass Association of North America is proud to announce that registration for the GANA Glass Fabrication & Glazing Educational Conference is now open! Attendees may register at [www.glasswebsite.com](http://www.glasswebsite.com) for this industry-recognized and historic event.

As you know, the Monte Carlo Resort and Casino recently had a roof fire which damaged part of the building's façade. GANA has been in contact with hotel management, and the building will open to the public in two weeks!

The event will take place at the Monte Carlo Resort and Casino in Las Vegas on April 21-23, 2008.

Plan now to attend GlassFab, which features educational seminars on insulating, laminated and tempered glass, as well as contract glazing/project management and estimating.

We look forward to seeing you in Vegas!

The GANA Team
