GLAZING CONSULTANTS INTERNATIONAL OPENS NEW OFFICE IN ATLANTA

Kevin Fonville Hired as Business Development Specialist

WEST PALM BEACH, Fla. – Feb. 8, 2008 –Glazing Consultants International (GCI), a consulting firm specializing in protecting the exteriors of buildings from water leakage and other perils, has opened a new office in Atlanta, GA, and hired Kevin Fonville as a business development specialist for the area. Headquartered in Florida, GCI provides design and construction consulting services to clients throughout the United States and internationally.

“We are excited to be expanding our presence in Atlanta,” says Paul Beers, Chief Executive Officer at GCI. “Kevin Fonville, a seasoned business development specialist, has built a reputation as a proven and trusted professional in the sales industry. We are confident Kevin will be instrumental in continuing our company’s accelerated growth path, and executing on our plans for continued expansion.”

Fonville’s 14-year progressive career has been spent developing long-term client relationships with a broad range of companies, implementing business and forecasting systems, building strategic business plans and instituting sales and technical training programs to enhance performance.

Fonville holds a Bachelor of Science in Business Finance from Virginia Tech University.
