

FOR IMMEDIATE RELEASE

Kaba-Ilco Launches New User-Friendly Web-Site

Winston-Salem, NC / Rocky Mount, NC / Montreal, Que (March 6, 2008)

Today, Kaba-Ilco Corp unveiled a new, more user-friendly design for its corporate web-site located at www.kaba-ilco.com.

From this home page, users are at the gateway to Ilco Key Systems, based in Rocky Mount, NC, Kaba Access Control, based in Winston-Salem, NC, and Ilco Lodging Systems, Montreal, Quebec.

The revamped web-site is more intuitive and better organized to make it quick and easy to navigate. The site includes straightforward menu tabs, interactive tools and downloadable files, as well as a myriad of service and support information. One of the new features on the site is a "Literature and Support" grid that is organized by product category, - which makes finding specific product documents very efficient. In addition, the site is regularly updated with schedules for training seminars, traveling exhibits, and trade shows.

Kaba Ilco Corp. is a world leading manufacturer of an extensive line of key blanks, key machines, advanced automotive transponder cloning/programming equipment and solid brass replacements cylinders.

Kaba Access Control is based in Winston-Salem, North Carolina, and offers a diversified product line of access control solutions including Peaks patented key control systems, Simplex mechanical pushbutton locks and E-Plex electronic access control products.

Kaba Lodging Systems (Kaba Ilco Inc) is a leader in electronic access control solutions for the lodging industry. Through its flagship ILCO brand, it has a security system for virtually every access control application or security need. The company's many successes derive from its mission to deliver customer satisfaction and its commitment to offering state-of-the-art electronic locks.
