

**Ft. Lauderdale, FL.** Arch Aluminum and Glass, LLC announces the appointment of Jeff Leone to Chief Executive Officer, effective July 22<sup>nd</sup>. Mr. Leone, formerly Director of Strategic Marketing with Mapei Corporation, a global, \$2.2B building products company with offices in the USA, brings years of experience with worldwide leadership roles in commercial operations, strategic planning and operations management to guide the company through the current economic cycle and return it to market leadership. Among other notable accomplishments, Mr. Leone held executive roles at BASF Corporation and Basell Polyolefins, a Joint Venture of BASF.

This follows the announcement naming Suresh Kumar as Chief Operating Officer. Mr. Kumar, most recently President of Kumar & Associates, brings over 20 years experience in the industry with Oldcastle Glass and Vitro America in Memphis, TN, where he held executive roles in Operations, Purchasing and Business Development. He has a proven track-record of profitably building companies in the architectural glass and aluminum systems industry.
