**NCCER Responds to Industry Ca**

*Green Advantage® is an environmental certification for building-related practitioners - primarily contractors, subcontractors and trades people. Launched with funding from a U.S. Environmental Protection Agency grant, Green Advantage® is the result of collaboration between the Nature Conservancy, Science Applications International Corporation, and the University of Florida. For more information, visit [www.greenadvantage.org](http://www.greenadvantage.org).*

**About NCCER** — *NCCER is a not-for-profit 501 (c)(3) education foundation created by the construction industry to develop standardized curriculum with portable credentials and to help address the skilled construction workforce shortage. NCCER is recognized by the industry as the training, assessment, certification, and career development standard for the construction, maintenance, and pipeline craft professional. For more information, visit [www.nccer.org](http://www.nccer.org) or contact NCCER customer service at 888.622.3720.*
