

8/14/2008

It is with great pleasure that we announce that **Patric J. Fransko**, formerly of Performance Films Distributing and Performance Tools Distributing, has assumed the role as the lead executive at National Glass Service Group (NGSG) LLC.

NGSG has renewed our focus on assisting large national and international companies determine solutions to their window tinting, energy management, intrusion and graffiti protection needs. NGSG is focused on selling and installing:

- • commercial and industrial flat glass solutions servicing large national chains
- • 24-hr. emergency glass replacement
- • film products to the automotive and RV industries

Patric comes to us with a wealth of experience in the window film industry that includes working with large clients in the areas of specifying appropriate film solutions and managing the logistics of the installations. Patric has an understanding of all aspects of the project derived from spending years working with architects, interior designers, facilities managers and installation companies. We are excited about the leadership, knowledge and enthusiasm that he is bringing and his ability to manage the rapid growth that NGSG is experiencing. We are confident that his passion to exceed your expectations will be apparent.

Patric can be reached at pfransko@nationalglassservicegroup.com, 614-652-3607 (office), 614-571-2174 (cell) or at 400 Metro Place North, Suite 300, Dublin, OH 43017.
