West Paterson, NJ (*April 3, 2008*) Century Bathworks, Inc., premier manufacturer of high-end shower enclosures and medicine cabinets, recently hired Peter Raleigh as National Sales Manager. Mr. Raleigh will lead Century's current sales force of over 50 with the goal of increasing sales. Concentration will be placed on securing residential and hotel development projects, new product development, increasing representative coverage throughout the United States, account development, and expanding client base.

"We are excited to have Peter join our team" said Michael MacMillan, President of Century Bathworks Inc. "With over 20 years experience in the kitchen and bath industry, extensive knowledge of medicine cabinets, and many years in sales management, Peter will help Century fulfill it's future growth and customer satisfaction goals."

Since 1946, Century Bathworks has provided the highest quality framed and frameless tub & shower enclosures for all your shower door needs. Century's new medicine cabinet line reflects that same high quality standard. Innovative designs and superior service keep our customer coming back again and again.
