**Frank Lowe Rubber & Gasket Co., Inc.
Hires John Rovtar for Business Development**

Shirley, New York – June 27, 2008 Frank Lowe Rubber & Gasket Co., Inc. has served the Fenestration Industry since 1955 and is proud to announce the hiring of John Rovtar.

John brings over 30 years of experience in the fenestration industry with a background in Administrative Operations and Business Development. Prior to joining Frank Lowe Rubber & Gasket Co., Inc. John served as General Manger of Air Tite Manufacturing and Director of Product Development and Technical Service at Survivor Technologies Inc. In addition, John has experience coordinating and managing AAMA and NFRC testing for window and door products as well as managing customer and technical service representatives.

For over 50 years, it has been our honor and pleasure to serve the needs of the fenestration industry. By offering solutions, assistance, guidance and our experience, we have helped deliver excellence in the rubber and gasket business. For further information please call Randy Cohen at 800-777-0202.

Best regards,
Randy
