JANUARY 2008

CHRIS McMAHON JOINS TECHNOFORM TEAM AS SALES ENGINEER

TWINSBURG, OHIO – Technoform, a global leader in the design, production and distribution of high-performance warm-edge insulating glass spacers and thermal insulating struts, announces the addition of Chris McMahon as I-Spacer™ sales engineer. He will be responsible for working with commercial IG manufacturers in the central U.S. market.

Chris's extensive experience in technical sales includes eight years with SPX Corporation, a major automotive supplier, where he managed the company's relationship with its largest OEM client. He attended Baker College in Auburn Hills, Mich. where he earned a Bachelor of Business Leadership degree.

About Technoform

With its North American headquarters in Twinsburg, Ohio, Technoform is a global leader in the design, production and distribution of high-performance warm-edge IG spacers and thermal insulating struts. Founded in 1969, Technoform holds 120 national and international patent registrations and maintains manufacturing and distribution facilities throughout Europe and Asia. Technoform is a subsidiary of Kassel, Germany-based Technoform Holding. For more information about Technoform or any of its industry leading products, call 330/487-6600; write to 1755 Enterprise Parkway, Suite 300, Twinsburg, Ohio 44087; visit www.technoform.us; or e-mail ispacersales@technoform.us.
