

Trulite Announces Appointment of Richard Verdon

Mississauga, Ontario----February 1, 2008. Arch Canada, ULC dba Trulite Industries, is extremely pleased to announce the appointment of Richard Verdon as Sales Representative. Richard's territory will include Ottawa, Montreal, Kingston and other appropriate locations in Eastern Canada.

Richard is well known by his customers in the markets he will cover and will lead Trulite's further development in those territories. With over 30 years experience in the glass industry, he is well respected and is known for his superb customer service techniques. Richard is also one of the founders and former President of the National Glass Association, of which he remains a director. He will be strongly supported by everyone at Trulite. We are all very excited about his appointment.

Gerry Duffy
General Manager
Arch Canada, ULC dba Trulite Industries

About Trulite

Trulite Industries, founded in January 1975, operates out of two properties containing 128,000 square feet of floor space in Mississauga, Ontario. The Company is one of Canada's largest glass fabricators and distributors and became part of the Arch group of Companies in April 2007. Trulite manufactures commercial insulated glass sealed units, tempered glass, spandrel glass, silk screened glass, and also distributes a myriad of products to glass fabricators and glazing shops. The Company has supplied products for many highly visible projects in several major cities such as World Exchange Plaza, Concordia Place, Toronto Airport, Boston Convention Centre, the Palace, Heinz Field, and Art Gallery of Ontario.

About Arch

Arch Aluminum & Glass Co., Inc. is one of North America's largest architectural glass and aluminum fabricators and distributors. The Company's product offerings are unmatched by competitors and consist of insulated units, spandrel glass, silk screened glass, tempered and laminated safety, decorative glass, mirrors and aluminum. Arch has created a total system approach to satisfy virtually all architectural glazing requirements.
