

## **Wausau Announces Steve Gille as Architectural Services Manager**

Wausau, Wis. -- Wausau Window and Wall Systems has named Steve Gille as architectural services manager. Drawing from 24 years with the company, his current role involves educating and assisting the architectural community, general contractors and construction managers, as well as other Wausau customers.

Gille's previous titles have ranged from senior design engineer to program manager for Advantage by Wausau's line of pre-engineered windows and doors. In addition to his knowledge of engineering and design, Gille's skills also include customer relations, presentations, field and design evaluations, and a complete understanding of Wausau's windows, doors and curtainwall systems.

Always seeking new opportunities to learn, Gille earned a degree in civil structural technology and continued his educational pursuits with coursework in Six Sigma, lean manufacturing, marketing and more.

A resident of Wausau, Wis., Gille built the home where he and his wife live.

Nationally recognized for its innovative expertise, Wausau Window and Wall Systems is an industry leader in engineering window and curtainwall systems for commercial and institutional construction applications. For more than 50 years, Wausau has worked closely with architects, building owners and contractors to realize their vision for aesthetic beauty and lasting value, while striving to maintain the highest level of customer service, communication and overall satisfaction.

Wausau is a part of Apogee Enterprises, Inc., a publicly held, U.S. corporation. For more information on Wausau Window and Wall Systems, please call 877-678-2983, or visit <http://www.WausauWindow.com>.
