## **NEW TRADE FAIR FOR GLASS INDUSTRY IN CHINA**

The premiere staging of All in Glass, China International Exhibition for Glass Technology, will take place from November 21 – 24, 2007 in Guangzhou, China. The event will be jointly organized by Messe Düsseldorf China and the China Foreign Trade Center (Group) – with the support of glasstec, the leading international trade fair for the glass industry worldwide, held every two years in Düsseldorf, Germany. The organizers expect about 250 exhibitors and 12,000 visitors to take part in All in Glass 2007.

Exhibit categories at All in Glass 2007 will include glass manufacturing and production technology, glass processing and finishing, glass products and applications, display glass and laser technology, solar energy and transparent thermal insulation, glass applications in the construction industry as well as process control technology and tools and parts.

The glass industry in China will continue to develop rapidly in the favorable economic situation - the basis for a successful All in Glass 2007 staging. During the first quarter of 2006, China exported 44.8 million square meters of flat glass, an increase of 8% compared to 2005. The export value was \$ 110 million, up 5.5% compared to the previous year. In the first half of 2006,

the value of glass and glass ware exported by China totaled \$ 2.5 million. The trade surplus was \$ 1.1 million with a total import value of \$ 1.3 million.

Three events will be held concurrently with All in Glass 2007: the International Automobile Exhibition, the annual meeting of the Federation of Ceramic Societies of Seven Provinces in Southern China and the annual meeting of the Guangdong Provincial Glass Industry Association.

The exhibitor application deadline for All in Glass 2007 is August 31.
